Reminders:

- Please practice your letter sound and/or sight word cards nightly. When you know at least 5 words, return the card so we can check them off.
- Interims came home last week and are a current reflection of student academics. Grades will continue to change until report card time.
- Oct 27 will be ACES 2nd Annual FUN RUN. Oct 28 will be Kindergarten Letterland Parade, followed by each classroom's Fall Fest. Be on the look-out for more information to come.
- Don't forget to make learning sight words and letters fun. Use "Fun Ways To Practice Sight Words" throughout the year, as well as read your book in your reading folder.

Math: Numbers 1-10 through different representations; vertical graphs, sorting objects, writing numbers 1-10

Literacy: First and last name; letters and letter sounds; sight words; print concepts (understanding elements of a book)

Writing: draw a recognizable picture, label with beginning sounds and some ending sounds

Social Studies: how we are alike and different

Have a wonderful month!

All field trip forms and money are due by 10/28. A total of \$20 will be collected at one time for both field trips.

If you are interested in volunteering in or outside the classroom, please make sure you are registered as a volunteer through WCPSS. It takes up to 2 weeks to be cleared.

The off-campus field trip will be March 30 to the Natural Science Museum in Durham.
